        <h5>hi I'm<span class="input">frontend developer</span></h5>

        <h1>Likhitha</h1>

        <p>With skills in HTML, CSS, and JavaScript, you can create structured, styled, and
interactive web

        pages.<br> HTML provides the content and structure, CSS handles the visual
presentation, and JavaScript

        adds interactivity and dynamic elements.<br>Together, these skills enable you to build
responsive and

        engaging websites, validate form inputs, and enhance user experiences.<br>As you
advance, you can

        explore web performance, accessibility, and API integration.</p>
